Transform your Old Shoes to Soul Shoes

Your Guide to A Fabulous Footwear Fix, By Esther Nash

Do you have big, unattractive feet? Were you called Big Foot when you were growing up? Not for long. Soon, people will be complimenting you like never before. You will be dancing with your Prince Charming in no time. Designer Esther Nash once again saves the day with her incredible fashion flair to spice up your life.

Essential Items Needed:

1. One old pair of shoes: sneakers, heels or boots. Make sure they fit well.
2. Crazy glue, buttons, tape and safety pins.
3. Spray paint, oil-based paint and paint brushes.
4. Permanent marker and indelible ink.
5. Newspaper, gloves and goggles.

Step 1

Very important: work in a cross-ventilated area. Wear gloves and goggles to protect yourself.

1. Place newspapers on a clean space with plenty of room to work.
2. Remove laces from sneakers and store for later use.

Step 2

1. Spray paint sneakers with first color.
2. Allow sneakers to air dry and then start with second color. Let air dry with each new layer until you are finished.
3. Create varied shapes with tape on sneakers. Spray paint over tape and then air dry. Remove tape to uncover a new, colorful design.

Step 3

1. Splatter paint anywhere you like and let air dry.
2. Glue buttons on sneakers or sew on with a needle and thread. Pin on safety pins.
3. Color laces with permanent markers.

Lace up and you are now ready to hit the dance floor with style! No more waiting in line. You have arrived!
