## Champagne Fashion Brunch

at **The GALLERY,** By Shelly Hannah

The GALLERY is playing host site to Andres Aquino of USA International. Andres is creatively catering fashion brunches for debutantes, socialites and all those interested in fashion. The flashes snapped and the cameras rolled as Clive Rundle served red-hot jalapeno styles to a list of delighted guests, who devoured the clothing with their eyes, while they sipped mimosas and dined on brie cheese with raspberries and honey, bagels with lox cream cheese and an assortment of other delectables.

Jewelry designed by Esther Nash for BABY DOLL was the perfect complement. Like fine wine served with Sunday morning delicacies, Esther's necklaces and earrings accented the exquisite gowns, dresses and bikinis.

The GALLERY is located in the Gershwin Hotel, at 7 East 27th Street, between Madison and Fifth Avenues, NYC.
